Sir:

Applicants in the above noted reissue application hereby submit the attached new Supplemental Reissue Application Declaration for entry into the above-noted reissue application. At the time the October 30, 2001 Amendment was filed in the reissue application in response to the July 31, 2001 Official Action, one of the inventors was out of the country and therefore unavailable. All of the named inventors have now reviewed and have executed the present Supplemental Reissue Application Declaration, in accordance with 37 CFR § 1.175. Applicants accordingly respectfully request that this Supplemental Reissue Application Declaration be substituted for the previous Supplemental Reissue Application Declaration submitted with the latest amendment filed on October 30, 2001.

Should the Examiner have any questions regarding this supplemental declaration or the amendment filed on October 30, 2001, he is invited and urged to telephone the undersigned attorney.

Respectfully submitted,

D. Scott Sudderth
